AFFIDAVIT OF AMIT FORLIT

BEFORE ME, the undersigned authority, this day personally appeared, AMIT FORLIT, who, after first being duly sworn, deposes and says as follows:

1. I, Amit Forlit, am over the age of 18, I am competent to make this affidavit, and I make this affidavit based on my personal knowledge.
2. I am not a citizen of the United States, and I do not hold a green card.
3. I have not been to the State of Florida since 2017, and the last time I was in the United States at all was in 2019. I currently have no plans to travel to the United States, or the State of Florida, for any reason.
4. I have never performed work for any person or entity in the State of Florida, do not currently work in the State of Florida, and do not intend in the future to perform work in the State of Florida.
5. SDC-GADOT, LLC, for which I am identified as a Member, has no employees, and conducts no business.
6. I am not a hacker. I am offended at the false accusations made by Stuart Page and Dominic Holden claiming that I am a hacker. I am an investigator, and I was hired by Stuart Page to run intelligence gathering services using solely legal methods that included HUMINT, open source and database searches, running physical surveillance, and purchasing dumped information found on online databases and servers. "Hacking" was never even suggested by Stuart Page, and is not something that I ever performed.
7. I also never provided links to Stuart Page for any online or database information. I did show Stuart Page the existence of online links that were available to anyone with internet access and who could google the phrase "Farhad Azima". However, I did not generate any online links or create or post the content found in any online links relating to Farhad Azima.

Further Affiant Sayeth Naught Sworn.

Dated: June 1, 2022.

AMIT FORLIT

SWORN TO AND SUBSCRIBED before me this 1 day of June 2022, by AMIT FORLIT, who is personally known to me () / who has produced a valid identification card for purposes of identification ().
